OFFICIAL STATUETTES FOR WINNING ENTRANTS: Emmy® statuettes can only be purchased by individuals listed as official entrants for a winning entry. Individuals who have already received a statuette for that particular win cannot order an additional statuette. If you are ordering statuettes for other eligible entrants, they must be a member to receive the member rate even if you, as a member, are ordering the statuettes for them. *(Production certificates and plaques are available for purchase for those individuals who contributed to the production of the Emmy® winning entry but who are not eligible to order a statuette. A separate order form for production plaques and certificates is available on www.chicagoemmyonline.org.)*

COMMEMORATIVE STATUETTES: Winning stations, studios and production companies may order a commemorative statuette for display at their place of business (one each per company; up to a maximum of three per winning program or craft entry if there are multiple companies involved). The statuette is engraved the same as the actual Emmy® Award, with the word "commemorative" added to the band. Commemorative statuettes are not for individuals. *(Companies associated with winning program or craft entries may also purchase plaques that have a replica of the statuette and space to list the names/titles of employee award recipients for display at their offices. Order forms available on web site.)*

REPLACEMENT STATUETTES: Is your statuette broken or do you want a newer round-based version to replace an older statuette? The original statuette needs to be returned first to NATAS Chgo (even if broken) before order can be placed. Please know that statuette orders can be made at any time during the year. Orders from previous Emmy® years can be placed as well.
