College Awards presented at Emmy® Awards Ceremony**

To enter, please go through the Emmy® Express system online but please read over this booklet first. The length of the entire process will vary based on the lengths of your entries.

THERE ARE SEVERAL DOCUMENTS ONLINE TO HELP YOU WITH THE WEB-BASED ENTRY PROCESS. This document refers primarily to eligibility and rules regarding what can and cannot be entered. Below is a summary of the 3 steps you need to take once you are ready to enter. These steps are further explained online.

THREE STEPS TO ENTERING: The entire entry process is found at www.chicagoemmyonline.org

1. Renew your membership (or become a member if you're not already). This will enable you to receive the lower "member" entry fee and it will save money overall. If you've been a member in the past, please *renew* rather than submit a new membership form; just follow the links on the membership page for passwords or call the office for your password and membership ID. Can you enter without becoming a member? Yes, certainly, but the fees are higher. **If you enter as a non-member, all your entries will be at the non-member price.**

2. Fill out and **submit the online entry form for your entry**, to acquire the *unique Entry ID Number* for that entry. **Be sure to include all eligible names of the entrants on this form.** Pay for the entry at this time. You'll receive an email confirmation of your entry, with the **Entry ID Number** on the form. **SEE PAGE 3-4 FOR THE FULL CATEGORY LIST.**

3. Upload your video

4.

****USE OF EMMY® MARK:** College and University students may refer to the fact that they are recipients of a NATAS Student Achievement Award, but may not use the Emmy® name or replica of the Emmy® figure in any form of commercial advertising or promotion.

COLLEGE/UNIVERSITY STUDENT PRODUCTION AWARDS STANDARD RULES

PURPOSE: Chapters are encouraged to recognize outstanding student achievements in television by conferring annual awards of merit in the Chapter's designated award region. The presentation of these awards is intended to be an incentive for the continued pursuit of excellence by those studying the television industry and multi-media journalism and to focus public attention on outstanding cultural, educational, technological, entertainment, news and informational achievements in television by undergraduate college students.

ELIGIBILITY: Programs or program segments conceived, produced and executed by students at a university, college or technical/vocational school within the Chapter's designated award area are eligible for student award consideration. Returning students who previously worked as professionals are not eligible. No professional services may have been employed in the production of the entry. Faculty involvement can only be advisory.

Students may enter work that was produced as a class assignment, extra-curricular assignment or in conjunction with their academic experience. Students who perform *professional* work may enter their work in our professional awards competition, provided they meet all eligibility requirements. No entry may be submitted to more than one Chapter's awards. The entry does not need to have been broadcast, cablecast or webcast to be eligible.

ELIGIBILITY PERIOD: Submitted programs must have been made during the period of June 1, 2018 to May 31, 2019.
