

NATAS CHICAGO/MIDWEST CHAPTER - WISCONSIN SILVER CIRCLE NOMINATION FORM

The National Academy of Television Arts and Sciences established the *Silver Circle* as a society of honor to recognize outstanding individuals who have performed distinguished service within the television industry for 25 years or more. Membership in the *Silver Circle* is one of the highest honors bestowed by NATAS. Television professionals are inducted into this prestigious group to recognize their significant contributions to Wisconsin broadcasting.

Nominees in journalistic, academic, administrative, creative, performing, or technical roles within the television industry are eligible. An individual's entire career need not have been spent in Wisconsin broadcasting, but their career must reflect enduring contributions to the television industry and the high standards of excellence that all who work in our profession hope to emulate.

The information below, along with any additional materials supporting the nomination, must be submitted to the Chicago/Midwest Chapter of the National Academy of Television Arts & Sciences for review and consideration by the Silver Circle Selection Committee made up largely of previous Wisconsin Silver Circle honorees. Nominations remain active for five years from submission during which additional support material may be submitted.
